Immaculate almost new home opportunity on a premium view lot is now available in the very desirable Villa Sonata neighborhood. The open light filled floor plan of this tastefully appointed and energy efficient residence allows for easy living. The cook's kitchen features a gas cooktop, double wall ovens, side by side refrigerator, built-in micro, pantry, abundant cabinets, generous counter space, and more! The master suite with sitting area is thoughtfully separated from the guest bedrooms. Spacious walk-in closets, a laundry/mud room, and a finished 2 car garage provide storage and convenience. This home features beautiful granite slab countertops, tile flooring in the kitchen, dining, and baths, all within a contemporary interior styling.

This energy efficient 1-year new home includes on demand central heating and air condition, a tank-less "never run out" hot water system, and a landscape water cistern that collects from your roof for your gardeni...
