This home is kept very nicely by the owners. There was no need to stage it. "Yes".... Believe me! I didn't do any cleaning or staging. It's a perfect "10".

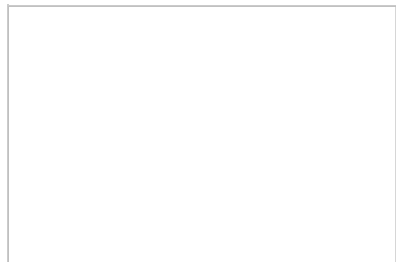

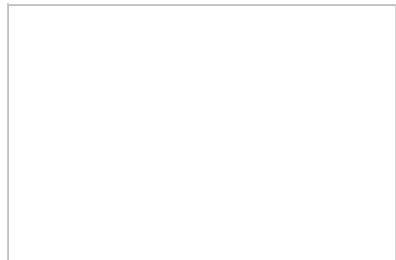

With development happening in the area, this community is getting traction from all around.

A "must see" home in the community.

After Major "BB" passed by "69.6%" support, here is what San Jose Mercury says: "Measure BB will raise \$7.8 billion over 30 years to fix potholes, improve freeways, boost public transit, and add bike lanes and hiking and riding trails. It also provides a \$400 million down payment on a BART rail extension to Livermore."

With that says, everybody is waiting for BART extension announcement.
