Beautiful traditional split level home on one of the most coveted streets in Playa del Rey. Upon entering, you will feel at home in the spacious open floor plan, newly refinished hardwood floors and dual room fireplace. The stunning, remodeled master suite has spectacular ocean views, gorgeous master bath with heated floors, plumbed towel warmer, steam shower and a jacuzzi tub. Entertain in the backyard so your guests can admire the breathtaking ocean, mountain and city views from Santa Monica Bay to Malibu. The home also features other amenities such as copper plumbing, upgraded electrical, windows, newly bolted foundation and the 4th bedroom easily converts to an office. Unique floor plan with 3 separate entrances but flows as one! Whether you want a house close to the water or desire to be close to the Silicon Beach action, this prop...
