We are currently in the process of opening a sales center across from the subdivision that will have house plans and other information regarding the subdivision. Construction within the subdivision is set to begin shortly. House prices will range between the low \$200's to the high \$200's containing 2,000-3,000 sq. ft of heated space. Most homes will include granite counter tops, hardwood floors, ceramic tile, double ovens, screened porches, on a crawl space foundation. Plans include a community garden site and there is a 7acre stocked pond on the property with planned walking trails in the works.

ABOUT KEN LAWRENCE

I live in the Willow Springs area and I am the brother of Don Lawrence who is the developer. I have been a licensed agent for many years and my philosophy is simple...it's your home not mine so you are the boss! Don has developed many acclaimed subdivisions over the last 35 years and I know you will love Pecan Grove. I look forward to meeting you and showing you our new Pecan Grove Subdivisi...
