Welcome to 2628 Marrow Dr in Newport News. This well maintained 4 bedroom home has over 2400 square feet of living space. As you enter the center hall foyer with laminate floors, the formal living room is to the right. It has warm oak hardwood floors and plenty of windows for natural light. A perfect getaway to read a book, or use as a private office. To the left of the foyer is the formal dining room also with hardwood floors and ample wall space for furniture placement. In the back of the home is a family room with hardwood under carpeting and a cozy wood burning fireplace. It adjoins a tremendous sun room with built in bookshelves and cabinets and wood beams on the ceiling. Plenty of window and doors make this area light, bright open and airy.

The eat in kitchen has lots of counter space and food prep area. A double stainless sink with ga...
