Best of both being a single story home and a two story home. The spacious master bedroom is downstairs. Two beds upstairs. One upstairs bedroom is huge with a balcony and two closets. Kitchen has a kid friendly breakfast bar. Living room has a fireplace and a soaring ceiling. Two tot lots are within a block of the home. One for digging, the other for climbing. Put this all together and you have a really wonderful family home and neighborhood. Fresh paint - this home is a must see!
