Live in the Colorado of your Dreams!

Here is the ultimate family compound. A very rare opportunity to own adjoining properties on both sides of the Crystal River. This property offers three individual river-side residences nestled under majestic red rocks and completely surrounded by White River National Forest. Offering unparalleled privacy yet with direct highway access, the homes are situated amongst lush aspen groves with stunning views in every direction. Only 43 easy highway miles from the Aspen (ASE) Airport and just 13 miles from Carbondale. Perfect for family gatherings, entertaining friends, or a quiet retreat from the world. The Crystal River Valley is home to one of Colorado's most beautifully preserved mining towns - Redstone - just a short distance from the property. The entire town is designated a National Historic Landmark. Step back in time to enjoy the America of Yest...
