Let me welcome you as you enter a little piece of heaven. Inside the lush surroundings of oaks, pines and mimosa you are instantly transformed by the beauty. As you drive up the long driveway to your oasis on "the point" you are immediately captivated by the view. You are on the quiet end of sought after Lake Cherokee. A private community of well preserved homes and new construction with like-minded neighbors seeking the solitude offered at the water's edge.

NS30 offers three bedrooms and 3 full baths (1 handicap accessible) and over 2700 square feet with lake views from every room. The lower level master has an adjoining dressing room that easily accommodates his/her wardrobe and is fitted out with Elfa modular shelving and space saving hardware. Two steps in to the laundry space where you can quickly clear out the days clothes. The spa suite/master bath is adorned with double glass sinks...
