What a great home. Open main floor great for entertaining. 4 bedroom upstairs with no adjoining walls. 2 additional bedrooms in the finished garden level basement. Large center island overlooking the eat in kitchen and family room. Private main floor study overlooking the maintenance free back yard. Huge redwood deck and hot tub pad for a future hot tub. Heated 3 car garage with large workbench for the mechanic in the household. Located close to schools and shopping. A must see! Call Wade for a private showing today at 303-359-9830.
