Nowhere Else in Aspen

Find paradise on this south-facing, 4.5-acre estate at the end of Hideaway Lane and surrounded by 65 acres of Moore Open Space which are "forever protected" from development. The 9,000 square foot home boasts five bedrooms not including a bonus bunk room. Vast lawns, covered patios, a swimming pond with beach, and a large horse pasture offer endless all-season entertainment and recreation opportunities. Unobstructed views to Pyramid Peak and Aspen Highlands. Nowhere else in Aspen offers all these amenities while only 1.5 miles to the gondola.
