Welcome home to this less than a year old custom-built home on 5 acres in desirable Driftwood! High-end finishes make this home a dream come true. One of the prettiest lots on the street with tons of huge trees and plenty of room for horses. Main house is 3/2.5 and guest suite off garage has 1 bedroom with attached full bath. High ceilings, exposed wood beams, upgraded granite in kitchen and baths, custom cabinetry and stained concrete floors are just some of the features inside this home that make it one of a kind. On the outside, the metal roof and incredible rain water collection system are AMAZING! The 14 downspouts from the roof drain into 4" pipes that are pumped to a 25,000 gallon gorgeous galvanized steel collection tank. The system was designed by the same person who did the Whole Foods one! One inch of rain yields 3,100 gallons of usable water that is then filtered using the reverse osmosis whole house filtration system. Say goodbye to hard water! Award-winning DSISD...

ABOUT ANDREA M. BIBEAU

I began my career in finance and, after taking time off to raise my children, found my true passion in real estate. My business is all about relationships; I don't just want to sell you a house or find you a buyer for your home (although I will do those things, and I will do them very well!), I also want to develop a relationship where I am the trusted advisor you turn to for all your rea...
