2955 Pacific occupies one of the most prized locations in all of San Francisco. Its modern facade resonates classic European style and the building commands an elegant and powerful presence on the street.

The building is four-units and four-stories in total, with the garage below. 2955 Pacific is the full-floor condominium occupying the second floor. Built in 1995, the high quality construction and attention to detail are evident throughout.

A large tiled veranda offering panoramic Southerly views provides coveted outdoor space that is so highly sought-after in San Francisco. The South-facing wall of windows in the living room allows for stunning views and provides the home with an abundance of natural light.

The approximately 2,160 square foot condominium is comprised of 3 bedrooms, 2 full bathrooms, a grand living room, formal dining room and a deluxe...
