It sits on a quiet street in Longview, close to everything and in the highly sought after Spring Hill school district (SHISD). The roomy kitchen is nicely accented with fine granite tops and tumbled tile backsplash. Plenty of cabinet space makes the kitchen a chef's dream. The modern split floor plan provides a nice flow to this well maintained home. Room sizes are more than adequate for your family to spread out comfortably. The rear yard is completely private and fenced. Spend evenings on the covered patio as you watch the kids take a swim in the pool or just lounge on your raft drifting quietly after a long day.
