This oak studded 20 acre parcel is situated in Jonata Springs Ranch, an equestrian estate located approximately one mile NW of Buellton in the Purísima Hills above the Santa Ynez Valley. This home will impress you immediately with its gated entry and manicured yards. This finely crafted home features 1 ½ miles of graded private horse trails on the property, in addition to the 10.5 miles of developed trails totally within the community. Home features hardwood floors, custom kitchen that opens to the family room and the outdoor covered flagstone patio. Large master suite with a Jacuzzi band tub in the master bath. The grounds have multiple levels of areas designed for entertaining your guests either out by the horse shoe pit, luau pit, or maybe over by the BBQ. If you are looking for a home that will surprise you at every turn from the casual country living to the Hi-tech Smart Network system than this just might be what you're looking for.
