High above the valley in the McDowell Mountains are views your buyer must see to believe. Orange and red sunsets against the beautiful mountain preserve, with desert wildlife like owls, coyotes and rabbits to see and enjoy. This single level split floor plans and is highly upgraded throughout. The home has fast/easy access to the 101 freeway, along with many Golf, shopping, and dining options. The kitchen has beautiful toned granite countertops and there are lots of tile and wood flooring upgrades throughout. The master bedroom suite features a walk-out exit to the patio as well as a full master bath and walk in closet with built in upgraded closet storage shelves and drawers, wooden flooring. This "great room" floor plan style opens up into the kitchen and dining areas. It is ideal for entertaining family and friends. Large sliding glass doors open to extend living room on to the patio and backyard. Lots of windows have wood shutters. The backyard is very private.
