This amazing open floor concept is 4 bedroom + den and 2.5 bath. Nestled on a cul-de-sac street with a beautifully maintained community this home has so much to offer. This home is perfect for entertaining. The large open concept eat in kitchen with gorgeous 42 inch custom staggered cherry cabinets, all stainless steal appliances, Corian counter tops, large island breakfast bar and walk-in pantry. The large family room off the kitchen displays a view of the patio and sparkling pebble tech pool with water features. In the backyard you will also find a nice grass play area and extended paved patio. Up stairs boasts a huge loft and 3 bedrooms all with walk-in closets. French doors lead you into the master suite, it features a master bath with double sinks, separate garden tub/shower and large walk-in closet.
