The largest ranch offering in the Aspen area, Capitol Creek Ranch is a private recreational paradise with the incredible potential for up to five family homes. The property comprises 1,321 acres of spectacular terrain to explore and enjoy, as well as easy access to adjacent public lands and trails. Just minutes away is the Capitol Creek trailhead, which leads to stunning views of high mountain cirques, and the crystal clear Capitol Lake, and eventually, 14,131-foot Capitol Peak, one of the more dramatic and challenging of Colorado's "fourteeners." Aspen's world-class ski areas are a short drive, but you can make your own first tracks in the mountains, forests, and meadows closer to home. And with its miles of streams and prime wildlife habitat on the ranch and surrounding it, fish, elk, and deer are plentiful, making this a sportsman's or wildlife enthusiast's dream. Whether on foot, bike, or horseback, or by ski, snowmobile, or ATV, this is living the Colorado mountain lifestyle at...
