Located on a quiet cul de sac just minutes to the train, town, and highways. A private entry welcomes family and friends into an open floorplan with cathedral ceilings, fireplace with marble surround, many bright, sunny windows through out, and a full finished basement. The kitchen boasts a newer stainless refrigerator and a gas range with plenty of storage and preparation space. The dining room opens to a recently refinished deck with southern views. The upstairs has two large bedrooms which encompass big closets. The shared bath has a dual vanity. The second floor also offers a loft, perfect for a home office or den, linen closet, as well as laundry. The finished basement has a rec room, study, and plenty of storage space.
