Welcome to 20516 Creekside Drive in beautiful Gatling Point South. This all brick, waterfront transitional home has all the finishes you would expect in a home of this quality.

The front porch is a great place to relax with your morning coffee and watch the sun rise.

As you enter the foyer the formal living room is to the right and the dining room is on the left. Both have beautiful hardwood floors and heavy trim work. The living room works well for home office space and the dining room is large enough to fit the whole family over the holidays.

The gourmet kitchen is on the back of the home and is open to the family room which makes it a great space for entertaining. There is good wall space for furniture placement and lots of window to take advantage of the view.

The kitchen has plenty of cabinet storage, a wine bar, and ample counter top space for meal preparation.
