"Benvenuto a casa" welcome to one of the few true jewels of the prestigious Central Corridor. This beautiful Italian Villa/ Spanish Colonial Style home built in 1931 has oh so much to offer age, sophistication, charm of homes often found in the more vintage areas of downtown central phoenix, while resting in the comfort and luxury of the North Central Corridor. Come with me for a moment and walk down The Bridal Path of Central Ave. only steps from your door, and remember with me again a time of horse drawn carriages, tree lined streets, and homes with beautiful hidden gardens flower lined with blossomed scents and subtle flying humming birds dancing in cool shadowed breezes. You crack the solid antique door and step inside among the floor boards of Original wood throughout the entire house
