Come see this exciting development opportunity at Whitecloud Ridge. You now have the ability to own and develop some of the most pristine land in the mid-valley with outrageous views of Mt. Sopris (and most of the up-front work has already been completed for you)! This opportunity presents 76 acres with 13 lots, already subdivided, roads already installed and utilities already in place! Build custom homes, spec homes or even sell the lots individually.

- Over 76 acres
- 13 flat, buildable homesites
- Common-area park
- Magnificent view of Mt Sopris
- Quiet, Pristine Location
- Close proximity to hiking, biking, skiing fishing, golfing, shopping, art galleries and Whole Foods
