Offering 4 bedrooms, 3 baths and family room. Here is the scoop! The kitchen is to die for, with quartz counter tops and the most up to date colors and cabinet style. You could spend all day in that kitchen enjoying the view to the pool from the breakfast nook. Let's talk about those floors the look of wood but the ease of tile! The formal area with fireplace and dining will be a quiet retreat from the family room and all the activities that will be going on! The family room is centrally located just off the kitchen and just a step out the door to the patio and pool. You will all so find the laundry room a full bath and a bedroom on the first floor. Upstairs, a master suite with beautiful bath and walk in closet and two additional bedrooms and a bath. Look at that beautiful back yard pristine comes to mind. It is time to jump in the pool and this one is ready!
