Waterfront living – but with NO REAL ESTATE TAXES

\$255,000 to \$600,000 less expensive than waterfront homes in major cities with the same square footage (see "compare affordability document" in documents section of tour).

The ease of down-sized living – no lawns to mow or gardens to weed – no walkways to shovel or gutters to clean (snow and leaves slide right off your roof into the surrounding waters).

Twice the width of any motorhome – and three-times more comfortable...

- Air Conditioning & Heating / Hot Water Tank / Water Tank 150 Gallons
