This home is your opportunity to live in luxury! When you first enter this 4 bedroom home you will experience the beautiful wood laminate floors that flow through the formal dining and back through to the family room. The formal dining room is spacious and will accommodate large gatherings. In the family room you will find a open concept floor plan with the kitchen. This area is also spacious with additional dining in the breakfast nook and island. Granite counter tops, a gas cook top, oven and micro will delight any cook. Along with a walk in pantry this kitchen hits every mark. Also on the first floor you will find a large laundry room and a guest powder room. On the second floor there is a loft that could have a multitude of uses. Maybe a den, additional space for TV and game room, or an office and study? The 3 guest rooms are spacious offering plantation shutters and ceiling fans. The master suite offers two large closets a spacious bath with soaking tub and step in shower. The...
