Great Townhouse in a great location, close to Glendale Community College! Very well kept. Laminate flooring on the main floor, newer maple cabinets in kitchen with under-cabinet lighting and Corian counter tops. The skylights in this property make it feel light and bright. This home has loads of storage, large laundry room with shelving, hall linen and storage closet and 2 (!) closets in the master bedroom with closet organizer. Beautiful french doors lead to the good size patio with block wall that will last, not a wood fence. No popcorn ceiling in this home! Community features 2 swimming pools and many green areas for picnics and play. HOA will take care of the outside of the property.
