Stunning like-new custom home nestled among trees with so many fabulous features such as rich hardwood flooring, granite counters, Stainless Steel LG Brand appliances (the refrigerator stays), Moen touch-free faucet, under cabinet LED lighting, and that's just the kitchen! A truly open plan great-room, leading to a covered deck is ideal for entertaining friends and family year round. The master suite has a gorgeous custom closet and a spa-like bathroom featuring an over-sized shower with both hand-held and rainfall shower-heads plus a huge jetted tub. A deck, off the master bedroom, provides a peaceful setting to enjoy your morning coffee or evening drink. The 2nd floor bonus room has a separate entry from the outside and would make a great hobby room or office away from the main living space, while the workshop, with its own driveway from the road and full bathroom plus kitchenette, could easily be utilized as ...
