This is the home you have been looking for! Extremely well cared for and upgraded 3 to 4 bedroom home on a cul-de-sac with a large rear yard. Formal Living and Dining Room with hardwood floors and dental molding. The Family room features a vaulted ceiling with 2 skylights, pellet stove, new carpet and upgraded moldings. The newly remolded kitchen has granite counters, tile backsplash and high end stainless appliances. Double doors open from the breakfast room to the expansive rear deck a lovely back yard. Upstairs you will find the large Master Bedroom including a Master Bath with double vanity & skylight. The Two more spacious bedrooms and a newly remolded hall bath complete the second floor. The full basement is completely finished with an office area, powder room, entertaining area and spare bedroom. Two car garage, alarm system and great landscaping. Come see for yourself!

- Finished Basement
- Spare Bedroom in Basement
- Hardwood Floors
- Large Deck
