Sunken living room, dramatic extra wide staircase, formal dining room, full bath downstairs, cathedral ceilings, extra large living spaces, bedrooms and master bedroom. The fireplace on cold nights makes for a cozy / romantic family room. Stainless steel appliances, French doors open to back patio. Manicured landscape with irrigation system and timer. New \$25000.00 worth of low-e windows throughout the property with solar screens and blinds inside and out. Although the back yard gets natural shade, it has 3000 psi concrete poured with footers and ready for a patio. Close to medical facilities / hospitals, entertainment, shopping and professional sports venues. This house is located within a mature and established neighborhood. This one will not last!
