This astonishing custom built home incorporates an elegant style of beauty, craftsmanship & luxury with the best of modern flair & finishes. The main home entertains 4 beds, 3.5 bath & a 3 car garage while the guest home offers 1 bed, 1 bath and 1 car attached garage and is protected by a separate security system. The suite in guest home offers master bath and large walk in closet. Entering either home you instantly are taken by the elegant style.

A grand living room with 12 ft tall ceilings welcomes guests into the main home. Built in entertainment center pre-wired with speakers and gorgeous wood floors completes this area nicely. The room also features a gas fireplace (propane) with mantel & hearth. The grand living room with its open floor connects with the dining area & kitchen.

The modern chef's kitchen features granite counter tops & under the cabinet lighting. Plenty of counter space incorporating an Island in the center of the room &...
