Beautiful remodel. Virtually new everything. Carpet, flooring, doors, lighting, sound system, alarm system, in wall vac, landscaping and much more. Neighborhood filled with new remodels and all priced higher. This is priced to sell today. Many custom features offered to make your new home yours. No HOA fees and this is absolutely one of the best looking homes on the block. Great neighbors. WHAT I LOVE ABOUT THE HOME I have designed the house to be a blend of the maturity of the neighborhood which is one of the most attractive in central Phoenix, just off Central Ave, with combining state of the art sound system, alarm system and smart house technology. This is truly a great house for entertaining guests and for families. Comfortable with plenty of room for your family.
