You will love the "little cabin in the woods" privacy and feel of this one home siting on an acre home site on a private dead end street. Nothing but peace and tranquility of country living.

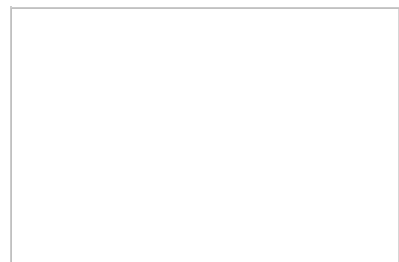

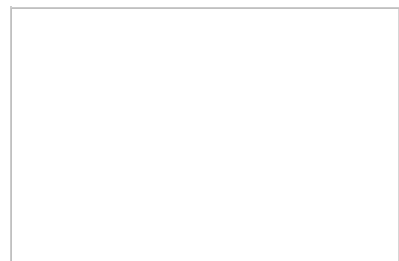

From the front door you enter a large family room with a vaulted ceiling. There is plenty of room for large furniture or a sectional and good wall space for furniture placement.

The eat in kitchen is to the right of the family room. It is an open plan which is nice for entertaining. There is plenty of cabinet storage, ample counter space for food preparation and a double stainless sink that overlooks the family room. the center island offers extra counter space and storage. The stove is propane gas for cooking and the refrigerator stays with the home.

The master bedroom is on the back of the home to maximize privacy and features a large walk in closet. The master bath has an elevated vanity, large walk in shower and ample linen storage.
