The owner of this home has kept the property maintained and manicured. The property includes an extra 1,790 sqft of land with an RV Gate, a salt water pool and natural gas to the stove, water heater and even the back patio! There are lots of kids in the neighborhood and Sante Fe Elementary school may be at the end of the road but there are 2 routes to get home so there's little traffic to be encountered. No HOA. Landscaping is on recently updated drip system. There is no carpet and the house is very clean and ready to move in.
