Exceptional Renovation of a Summer Beach Condo

Low priced 3 bedroom condo with Peak-a-boo, ocean view.

This spacious Sailmaker condo has been extensively renovated with quality workmanship throughout. Located in Summer Beach Village, just south of the Ritz-Carlton, this three bedroom and three bath end unit condo affords privacy and plenty of natural light.

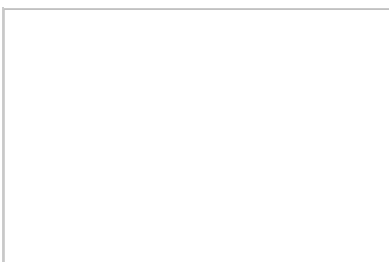

The renovation included granite countertops in the kitchen and in all baths, new cabinetry, stainless appliances, tile floors, new carpeting, plantation shutters on all windows, painting, new furniture, lighting and more.

This condo is stylishly decorated and is being sold furnished except for a few personal items.

This floor plan is the largest available at Sailmaker and traditionally has been very popular because of the abundant number of windows.

The condo faces the beach and conveniently overlooks the pool area. It also is close to the beach walkway and parking.
