Completely transformed & remodeled home situated on a private lot with unobstructed Catalina Foothills views! Expansive open living space features upgraded kitchen and baths, gorgeous granite counters, stainless steel appliances, gas stove, and custom tile backsplash. Pendant lighting highlights the dramatic granite island that overlooks the dining area, family room, striking stacked-stone fireplace and 18" Travertine tile throughout the home. The terraced backyard is an entertainer's delight with covered patio, upgraded pool, spa, and dramatic waterfall feature. The custom pergola houses a built-in BBQ and kitchenette for the grill master of the home. Spacious master bedroom features private French door entrance and upgraded ensuite bathroom with fully-tiled shower. A true updated beauty!
