Absolutely stunning stucco ranch home with mountain views! Don't miss out on this one of a kind custom 5 bed/4 bath/ 3 car oversized garage on 25 acres of land! Dirt bike riders come from all around to enjoy the tracks! This home has over 5000 sq ft of living space, with a partially finished basement where all the hard work is done. There is a separate guest house for company or rental income. Covered patios, salt water heated pool, garden, and dog run. Beautiful remodeled country kitchen, with stainless steel appliances, gas stove, granite counter tops, huge kitchen island, and tile floors throughout. Great master suite with amazing spa like bath and walk in closet. Home has all large bedrooms, with bright and open floor plan. Back patio, garage, and basement are all 220 wired for a hot tub. There is a drip line for the trees, and garden. The possibilities are endless for this home, don't miss out!!
