This Eagle Rock, two bedroom, two bathroom home is wonderful. Gated front yard with vibrant, well tended landscaping frame this well cared for house. The living room features wood flooring, built in entertainment speakers and lots of space for a large sectional or sofa/loveseat combo. The kitchen is stunning with stainless steel appliances, beautiful cabinets and a large dining area that accommodates six guests with ease. There is a laundry room and pantry off the kitchen, no going to the garage to do laundry in this casita! Both bedrooms are amply sized. Bathrooms are clean and bright, both with pedestal sinks and beautiful tile. One bedroom has the bathroom attached and also features its own entrance to the back yard. Visitors will be impressed with the size of the large, flat backyard that offers versatility and privacy.
