Thought you missed out but here is the catch of the day. Four large bedrooms and a huge bonus room are only the beginning for this home. The ceramic backsplash complement the ceramic floors perfectly. Solid surface countertops and lots of pantry space in the kitchen make this a chef's delight. The gas log fireplace in the Great Room adds ambience to the quiet setting. Upstairs are four large bedrooms and a real usable bonus room just made for stretching out in. Big vehicles fit in this garage.
