This is a deer hunting Honey Hole. Photos are from 2017 trail cameras. Bucks galore. Not pressured. Current owner gets his limit every year. Mature apple trees on edge of field. Tree stands in place. Do not walk property with out notice for your own safety. Agent or owner will gladly show you the property and hunting history.

Don't like to hunt deer? No problem. This is the site of a civil war battle and right across I-64 from the Civil War Preservation Area. Metal detect for your trophy. (Again, please do not go out there un-accompanied, especially during hunting season)

Oh and by the way, you can build a house on it too, if you want. No neighborhood restrictions or covenants, no minimum square footage.
