WOW, LOOK WHAT JUST HIT THE MARKET. This Cutie Patutie Las Colinas Home is in search of a new family to call it's own. From the minute you walk through the front door, not only will you be greeted by yummy smells, BUT you will be greeted by a very open floor plan. The living & dining room areas are equipped with tile floor, vaulted ceilings, mini blinds, and neutral color scheme. This home has a LOT of natural lighting. The kitchen area over looks the family area, and is equipped with white cabinetry, granite counter tops w/high counters on the east side where you can have the kids sit & eat. Moreover, it has a small center island, w/black/stainless steel stove, dishwasher & microwave area. Small seating area just needs your favorite table to compliment the area. The family room is cozy with a fireplace and sliding glass doors that lead to the rear yard patio area. The 2nd story has essentially 2 master bedrooms on each side of the home. The north sided bedroom ...

- Open Floor Plan

ABOUT YOLANDA ANDRADE

Whether you're selling or buying a home, just thinking about it, or looking for a good vendor, you've found the right website and person! Times have changed; technology has taken a leading role in both the newspaper industry and the world of residential real estate.

However, not everything has changed when it comes to my practice of real estate. When I become your realtor, I commit mys...
