Tucked in the hills on a quiet tree lined street sits this spectacular single level view home. Adorned with gleaming wood floors, loads of natural light and fabulous living spaces that include recently updated chef's kitchen with granite counters, wolf range, custom cabinetry, massive center island with breakfast dining, built in stainless refrigeration and temperature controlled wine storage. The entertainers floor plan includes spacious formal living with romantic fireplace, beautiful formal dining room with vaulted ceiling and wood detailed picture window along with separate family/media room with cozy brick lined fireplace and vaulted wood beamed ceilings. Three spacious en suite bedrooms include wonderful master with expansive walk-in closet, direct rear yard access and spa styled bath with beautifully updated finishes, seamless glass shower, oversized jetted tub and dual sinks. Stretch out, relax and decompress in the picturesque and ultra-private yard with sparkling ...
