This gorgeous home has beautiful trees in the front yard that will make you feel welcome when you walk in. The open floor plan layout will make it easy for you to host family gatherings and entertain your guests. The kitchen has been remodeled with granite countertops, nice backsplash, and the cabinets have lots of storage. Right passed the updated master bath is a huge walk-in closet and vanity area. The backyard is just amazing with plenty of room for outdoor activities, covered patio, a private outdoor suite, and storage shed with electricity. You'll love all the elegant touches in this home! See it today!

## ABOUT TEDDY LOPEZ

I'm Teddy Lopez, I'm a Realtor in the North Texas area. I got into Real Estate after working 7+ years in the Mental Health Field. I was recruited into real estate because of my love for helping and serving other people. I am not a typical sales person that has "commission breath" I am a trusted adviser with the heart of a teacher that will be there with you every step of the way. I believe ...
