PRIME location nestled between Vitruvian Park and Brookhaven college. Towering trees and lush landscape welcome you to this meticulously maintained home in coveted Wooded Creek Estates. Genuine hard wood floors flow throughout most of the home including all bedrooms. Updated paint, lighting and fireplace, recent Pella brand windows and stainless steel appliances provide a modern ambiance. Architectural features such as vaulted ceilings, skylights, built-in hutch, wet bar, vanity and windowseats reflect the character of the home. Three large living spaces offer tons of versatility for home office, game room, craft room, or whatever else you might need! Roof is only around 6 years old and HVAC replaced in 2015.
