Beautiful home in Oakmont II and Guyer High School district. This home has plenty of room for your family with a shaded backyard to watch them play. Open floor-plan with the Master downstairs and 4 spacious bedrooms up with over-sized closets and a game-room. High ceilings and natural light from the expansive windows with solar screens is a bonus. The kitchen features granite counters, gas cook-top and a center island with extra storage space. All SS appliances were updated Feb 2018. Pool and basketball court are just blocks away for convenience. Close to I-35 and FM-2499 for Shopping, Movies and Restaurants
