Florida living at its best! Come see this home's open floor plan with an abundance of natural light! This beautiful 4 bedroom and 3 bath home boasts over 2400 square feet with plenty of room to spread out or gather in the many rooms made for entertaining! An additional 484 square feet converted garage is the PERFECT room for a home gym or game room. This updated home sits on a corner oversized lot with mature cypress trees and exquisite landscaping overlooking the lake. Relax in your private oasis with oversized screen patio complete with pool and spa or relax on your Adirondack chairs and take in the tranquility of the lake. This home offers a well thought out floor plan with the master downstairs with private outdoor space and the remainder of the bedrooms on the second level with bonus room for the young ones to have their own space for homework and play! NEW ROOF installed this year and A RATED SCHOOLS make this a home to call your own for many happy years ahead. Conveni...
