Don't be fooled! This home is zoned for Lexington 1 schools! Beautiful all-brick with new appliances, granite counters w/large island-bar, fresh interior paint, and new carpet! True hardwood flooring on first floor except great room. Very desirable floor plan w/family living @back of house! Master suite is located on secondary level by itself, then a few steps up additional bedrooms! Don't miss the laundry shoot! This home backs to the golf course, but has a great buffer for privacy.
