Top-rated schools and a prime location in this master planned community; this home offers all a family could ask for; walk to the community center and pool, playscapes, trails and stocked-pond. Experience outdoor living in your private, landscaped backyard with deck, trellis, and outdoor bar with sink, fridge and granite countertop.

Lovely drive-up, excellent floor plan, full security system, new windows, roof and wood flooring set this home apart. The main-level open concept, with kitchen featuring stainless appliances, tile backsplash, eat-in bar and private desk area opening to the exposed-beamed living area makes for easy entertaining. With ½ bath, study and high-ceilings, you'll see the value right away. The spacious main-level master suite with large walk-in closet, lots of windows offers an escape. The master bath has dual vanity, glass-surround shower and separate soaking tub. Upstairs features 3 beds, two full baths, computer area, catwalk, and...
