Ah, the VIEWS! This two story, cedar and stone home has been updated a lot. However, the new two-story deck and maximized views of the river gorge from the two master suites and main living area say it all, location, location, location. Yes, you will find two amazing masters with swoon worthy views, closets and new baths. The main level has had popcorn ceilings scraped, solid oak floors and can lighting installed and fresh paint. The kitchen received some updating with appliances and paint. The entry received a facelift with a new covered porch. The cedar exterior received a complete maintenance package with some new cedar boards and all new paint. The roof is updated and most of the windows have been replaced along with a new insulated garage door. Located on the front of Signa More...Mountain, this home is convenient to both the town of Signal Mountain's charm and top rated schools as well as the shopping, dining and events of downtown...

ABOUT TRAVIS CLOSE HOMES

Dedicated, responsive and knowledgeable are words used by his clients to describe Travis. He is a Chattanooga native that returned to his hometown in 2001 to pursue a career in advertising sales, where he excelled using his bachelors degree in Mass Communication. Making a career move into real estate, Travis excelled again despite entering the profession only a couple of years before the w...
