One of the best lots in Whiting Woods, this house has not changed owners since the early 1970's. Wonderful, mature oak trees frame this two story custom built home. Mid century details like the front door and built in cabinetry in the den reflect back upon the era when this enclave of homes was being established. A formal entry leads to a huge living room dining room combo with a fireplace and a picture window to gaze upon the oak trees. The den also has a picture window and a fireplace along with built in desks and shelves. The bright kitchen opens to the large back yard for entertaining. There are three bedrooms and two bathrooms on the upper floor. The lower floor has a bedroom, kitchenette, bathroom and its own, private entrance as well as stair access to the upper floor. This is the ideal setup for a home office, an extended family suite or guests that you like quite a bit. There is also a direct access, two car garage and a workshop on the lower floor and a large util...
