This darling 3 bedroom, 2 bath, DR Horton home was the last completed in Hunters Ridge in 2013! Once you come through the doors, you be delighted with the love and care given to the home. This home features not only wood flooring in the main areas, but also an island in the spacious kitchen along with stainless steel appliances. Snuggle up next to a gorgeous fireplace in winter time, or spend a relaxing afternoon outside under the pergola when the weather is nice. Extra features of the home include a Ring doorbell, a programable Ecobee thermostat, front and back gutters, landscape lighting and a sprinkler system. Come fall in love with your new home!

- Wood floors in main areas
