This home is a MUST SEE!! With an open floor plan and lots of upgrades, it is a PERFECT home for entertaining! Just a couple doors down from Giving Tree Park. This park is perfect for anybody looking for a little more yard to spread their wings and relax. We have the best street in the neighborhood with some fantastic, friendly neighbors! An Annabelle floor plan by Ford Custom Homes finished in January 2016. This home includes 4 bedrooms and 3.5 bathrooms. The large master bedroom with vaulted ceilings can be found downstairs with an attached master bathroom and extra large closet with shelving. Just off the kitchen you will find the half bathroom for guests. Upstairs are 3 bedrooms, 2 bathrooms, a large bonus room, and a large walk-in storage closet.

ABOUT T. WAYNE WOOD

My goal is to make the entire process as painless as possible. I have found that my constant attention to the small details regarding every aspect of listing a home or buying a home, negotiating with finesse while leveraging technology fosters a smooth transaction all the way to the 'closing'. ...
